

National Workshop on Surgical Rehabilitation

A National Workshop on Surgical Rehabilitation was conducted at Dept. PMR, SVNIRTAR from 10th to 14th July 2023. A total of 32 delegates including 23 doctors from different reputed institutions such as AIIMS New Delhi, AIIMS-Bhopal, AIIMS-Rishikesh, AIIMS-Gorakhpur, AIIMS-Bhubaneswar, PMCH-Patna, Amrita Institute-Kerala, Westbengal university-Kolkata, etc. attended the workshop for training on surgical rehabilitation. 23 Major surgery cases and 5 minor surgery cases were operated in the workshop and live demonstrations of all the surgical procedures were done. All the delegates actively interacted and participated in most of the procedures. This workshop was one of its kind in the country where rehabilitation surgeries were demonstrated in live surgery mode. Dept of PMR, SVNIRTAR, being a department, recognized for excellence in deformity corrective surgery, sincerely working on increasing awareness and training doctors in rehabilitation surgery.
